Caribbean Agrifood Business Series ...

Twigs
Naturals

The logo is centered within a yellow oval. It features the word "Twigs" in a large, elegant serif font, with "Naturals" in a smaller, simpler serif font below it. To the right of the text is a decorative black branch with several small, swirling leaves. The entire logo is set against a background of various botanical illustrations: black and white sketches of leaves and branches in the top corners, and a cluster of bright red goji berries on the left side.
