ACTUALLY:

BAONANE is the largest producer of organic baobab oil in Senegal with 14 tons per year of finished oil.

COMING SOON:

A specialisation in the processing of aromatic plants for cosmetic and food purposes to be presented on the world market.

*This series of events is organised by PAFO and COLEACP.
COLEACP operates within the framework of development cooperation
between the Organisation of African, Caribbean and Pacific States (OACPS)
and the European Union (European Development Fund – EDF), with the
support of the French Development Agency (AFD).*

Thank you
