

**TABLE 2. PLANT PROTECTION PRODUCT (PPP) STATUS CHANGES INTRODUCED IN GREAT BRITAIN SINCE THE BEGINNING OF 2025**

| Active substance                                      | Key substances* | Active substance status                            | Publication/ Date into application | Expiration of approval | Link                 |
|---|-----------------|--|------------------------------------|------------------------|----------------------|
| 2-Phenylphenol (incl. sodium salt orthophenyl phenol) |                 | withdrawal of the approval of the active substance | 31/01/2025                         | 31/12/2024             | <a href="#">link</a> |
| 8-Hydroxyquinoline incl. oxyquinoleine                |                 | withdrawal of the approval of the active substance | 31/01/2025                         | 31/12/2024             | <a href="#">link</a> |
| Azimsulfuron  |                 | withdrawal of the approval of the active substance | 31/01/2025                         | 31/12/2024             | <a href="#">link</a> |
| <i>Candida oleophila</i> strain O                     |                 | withdrawal of the approval of the active substance | 31/01/2025                         | 31/12/2024             | <a href="#">link</a> |
| Fluquinconazole                                       |                 | withdrawal of the approval of the active substance | 31/01/2025                         | 31/12/2024             | <a href="#">link</a> |
| Metaflumizone   | X               | withdrawal of the approval of the active substance | 31/01/2025                         | 31/12/2024             | <a href="#">link</a> |
| Oxyfluorfen   |                 | withdrawal of the approval of the active substance | 31/01/2025                         | 31/12/2024             | <a href="#">link</a> |
| <i>Paecilomyces fumosoroseus</i> strain Fe9901        |                 | withdrawal of the approval of the active substance | 31/01/2025                         | 31/12/2024             | <a href="#">link</a> |
| Terbutylazine   |                 | withdrawal of the approval of the active substance | 31/01/2025                         | 31/12/2024             | <a href="#">link</a> |
| Glyphosate  | X               | extension of the approval period                   | 31/03/2025                         | 15/12/2026             | <a href="#">link</a> |

(\*) Key active substances are those used/registered in one or more ACP country on horticultural crops that are frequently exported regionally or internationally.
